

2022 Lifetime account raffle

Terms and Conditions

These Terms and Conditions apply specifically to the 2022 Lifetime account raffle (“**Raffle**”). They are complementary to and do not supersede [Proton](#) and [Proton VPN](#) Terms and Conditions and [Privacy Policy](#).

By taking part in the Raffle, you are agreeing to be bound without limit or reserve by the following Terms and Conditions.

For further details on the Raffle, see [our blog](#).

Operation

The Raffle is operated exclusively by Proton AG (“**Proton**”).

Donation

By purchasing a ticket in our store, you are willing to donate to the organization(s) and in the manner chosen by Proton. To thank you for your generosity, you are automatically added to a list of potential winners of one of the ten available Lifetime Accounts (“**List**”). The winners are selected randomly in the List.

You can purchase more than one ticket.

The tickets are only purchasable through our [online store](#).

No refunds can be made. By purchasing one or several tickets, you acknowledge having the amount of money directly available and commit to pay it successfully.

No obligation of result

By purchasing a ticket and donating to the chosen organizations, you are automatically added to the List. Given the random nature of the Raffle, we cannot guarantee you a win of Lifetime Account.

The prizes (Lifetime Accounts) are not monetary and cannot be exchanged for money.

No liability

By purchasing a ticket, you acknowledge that you are entitled to do so and do not act unlawfully.

You are solely responsible for your purchases. Proton AG will not be held liable for any loss or damage suffered by you or any third party.

Applicable law

These Terms and Conditions shall be governed in all respects by the substantive laws of Switzerland. Any controversy, claim, or dispute arising out of or relating to the Terms and Conditions shall be subject to the jurisdiction of the competent courts of the Canton of Geneva, the jurisdiction of the Swiss Federal Court being expressly reserved.
